# McGilvra Elementary's Stormwater Only Pipes

### ON THIS MAP:

Blue Dots are Storm **Drains** 

**Green Lines** are **Stormwater Pipes** 

**Green Lines with inset** arrows are larger stormwater pipes that leave the right side of the map.

See "McGilvra Neighborhood Stormwater Pipes" map to figure out where the stormwater pipes empty.

# McGilvra Elementary's Combined Pipes

Lesson 5: Stormwater Pipes

### ON THIS MAP:

Yellow Lines are pipes with wastwater and gutter drains from main building's roof.

Red Line is a large pipe that flows towards the top of the map.

See "McGilvra Neighborhood **Combined Pipes and** Overflows" map to see where combined water goes.
